Notice is hereby given that tentative approval was given by the

poration, 9210 South 5200 West, West Jordan, Utah, to continue
open pit clay mining on portions of Section 9, Township 7 South,
Range 1 West, SLBM, Utah County, Utah. This site is generally

Interstate Brick Corporation has fulfilled obligations under the

as amended), and will employ the following reclamation tech-
niques on 25 acres of unpatented claims.

During Operations:

- 2) Overburden will be moved into previously mined out areas
or piled in locations suitable for later regrading.
- 3) Clay will be ripped with a bulldozer and stockpiled near the
pit.

- 4) Roads other than main through roads will be ripped and
seeded.

Reclamation performance surety will be established upon final
approval of the reclamation plan.
